Please note that the evidence referred to in the table below is not exhaustive and you should review the examples given which are most appropriate to your individual circumstances. You may be asked to submit additional evidence and information in the course of any assessment by the GMC.

Assessment of 'exempt person' status is undertaken on a case by case basis. As a matter of policy, we seek to be satisfied on the basis of robust, objective, independent and verifiable evidence.

The table below does not include details of evidence that you may have to send us as part of any assessment of your medical qualifications, training, experience and fitness to practise. That assessment will be undertaken as part of an application for registration once we are satisfied of your exempt person status.

At this time, please only submit **COPY** documents. Please do not send in any originals.

**Please send us the completed form AND all your supporting evidence together**
