## **Meetings**

9. The Programme Board (the Board) will meet up to six times a year.
10. Extraordinary meetings may be held where agreed by the Chairman.
11. The Chair (known as the Chairman) and Programme Board manager will be responsible for organising meetings to facilitate the work of the Board.
12. Agendas and papers will be circulated in advance of each meeting.
13. Where possible, agendas and papers for discussion will be circulated at least one week prior to a meeting.
14. Each Board member is appointed on an annual basis and membership may be reconfirmed on an annual basis.
15. Board members are appointed based on a mandate from the organisation they represent. Where this mandate ceases, for any reason, they will stand down from the Board with immediate effect. The organisation in question will be invited to designate another representative to the Board.
16. There will be no substitution system in place for meeting attendance.
17. The England, Wales, Scotland and Northern Ireland Revalidation Delivery Boards will each have representation on the UK Programme Board.
18. The GMC reserves the right to determine and change the future size and composition and the objectives of the Board.

## **Working Practice**

19. The Chair is appointed by the General Medical Council. This position is renewable on an annual basis.

20. The process of appointment and reappointment of the Chair is in accordance with GMC procedures.
21. The Chairmanship is held by Keith Pearson.
22. All meeting papers and minutes of previous meetings will be published on a publicly accessible website. This will also include information about Board membership, governance arrangements and the implementation process.
23. The minutes of meetings will be prepared and circulated to each Board member following each meeting. The minutes will be formally approved and made available in a final version at the subsequent meeting.
24. All communications activity of the Board will be carried out in accordance with agreed communications principles.
25. All communications activity will be set out in a Communications & Engagement Plan agreed by the Board. This may be reviewed at regular intervals throughout the year.
26. These Terms of Reference will be reviewed and updated as appropriate on an annual basis; they may be amended as required with agreement of the Board at other times.

### **Reporting & Accountability**

27. The Board is accountable to the General Medical Council, known as 'the Council'.
28. The Board shall present a progress report to the Council on a regular basis.
29. Any matters requiring a policy decision or change of agreed policy will be referred to the Council to consider and determine.
30. The work of the four country Revalidation Delivery Boards will regularly be reported to the Board.
31. A written or oral progress report on implementation in each of the four countries of the UK shall be received at each Programme Board meeting.
