

English language test statement: I confirm that I have not taken IELTS or the OET.

Name of applicant:

GMC reference number:

In making this statement, I understand:

1. the General Medical Council (GMC) will make any enquiries it considers appropriate to establish my fitness to practise
2. the GMC, their representatives, and any other agent the GMC ask to carry out checks on its behalf, will make any necessary checks to verify the information I have given.
3. enquiries will be made before and while I am registered, including enquiries overseas, which may involve the transfer of my personal data outside of the European Economic Area.
4. the recipient of any enquires will provide the information requested.
5. my personal data will be given to my referees, government bodies and other third parties as may be reasonably necessary.

The information I have submitted in my request to provide alternative evidence of English language proficiency is correct and true.

I understand that if I have made a false declaration, or given false information or provided false documentation, the GMC will consider this in the context of any future application for registration withhold or remove my registration and licence to practise and/or report the matter to the police.

I understand that to protect the public, the GMC may share any information I have provided with UK and international regulators, public litigation and prosecution bodies and law enforcement organisations.
