Investigation Committee – Oral Hearing

Name	Dr Segun Adekale
GMC reference number	5161258
Area of practice	West Midlands
Type of case	Conviction
Date	09:30 on 14 October 2019 (One day)
Address	7 th Floor, St James's Building, 79 Oxford Street, Manchester, M1 6FQ

This case will be considered by the Investigation Committee applying the [General Medical Council's Fitness to Practise Rules 2004](#)

The Investigation Committee will consider whether it is appropriate to issue Dr Segun Adekale a warning in light of the allegation that on 1 March 2019 he was convicted of failing to provide a breath specimen for analysis without reasonable excuse. It is alleged further that Dr Adekale failed to notify the GMC, without delay, when charged with the offence.

Dr Adekale has determined not to accept the warning as proposed by the Case Examiners, therefore exercising his right to an oral hearing before the Investigation Committee.
