Dear Jessica

GMC Regional Visit to HEKSS 2014- 2015

I am pleased to send you the formal response, in the form of an action plan on behalf of Health Education Kent, Surrey and Sussex, to the GMC report following the GMC Regional review of medical education and training in Kent, Surrey and Sussex 2014–15.

We are very grateful for the support that we have received from the GMC and the visiting team over the last few months and look forward to working with our stakeholders to complete these action plans.

We are confident that these plans will enhance medical education and training across our region.

Yours sincerely

Professor Graeme Dewhurst
Postgraduate Dean, Health Education KSS
