[18A.— Temporary registration with regard to emergencies involving loss of human life or human illness etc.

(1) If the Secretary of State advises the Registrar that an emergency has occurred, is occurring or is about to occur and that action should be considered under this section, the Registrar may register under this section—

- (a) a person as a fully registered medical practitioner, if the Registrar considers that the person is a fit, proper and suitably experienced person to be registered as a fully registered medical practitioner with regard to the emergency; or
- (b) the persons comprising a specified group of persons as fully registered medical practitioners, if the Registrar considers that the group is comprised of persons who are of a type who may reasonably be considered fit, proper and suitably experienced persons to be registered as fully registered medical practitioners with regard to the emergency.

(2) The Registrar may register under this section by virtue of subsection (1)(b) all of the persons comprising a specified group of persons without first identifying each person in the group.

(3) The registration of a person under this section is subject to such conditions as the Registrar may specify, and the Registrar may at any time vary the conditions to which a person's registration under this section is subject (including by adding to the conditions or revoking any conditions).

(4) The registration of any person registered under this section by virtue of subsection (1)(b) as one of a specified group may be subject to the same conditions as the registration of other members of the group, or it may be subject to different conditions.

(5) A person's registration under this section shall cease to have effect if revoked by the Registrar, which—

- (a) the Registrar must do if the Secretary of State advises the Registrar that the circumstances that led the Secretary of State to advise the Registrar as mentioned in subsection (1) no longer exist;
- (b) the Registrar may do for any other reason at any time, including where the Registrar has grounds for suspecting that the person's fitness to practise may be impaired.

(6) The registration of a person registered under this section by virtue of subsection (1)(b) as one of a specified group may be revoked without revoking the registration of the other members of the

group, or it may be revoked by virtue of a decision to revoke the registration of all the members of the group.

(7) Part 5 of this Act, apart from sections 35, 35A(1) and (4) to (8) and 35B(2) and (3), shall not apply to persons registered under this section.

(8) If a person breaches any condition to which the person's registration under this section is subject, anything done by the person in breach of that condition is to be treated as not being done by a registered medical practitioner.

(9) For the purposes of this section, “emergency” means an emergency of the type described in section 19(1)(a) of the Civil Contingencies Act 2004 (meaning of “emergency”), read with subsection (2)(a) and (b) of that section.

[29E.— Evidence

(1) Regulations under section 29A above may make provision for a licensing authority—

- (a) to refuse to grant a licence to practise to a medical practitioner;
- (b) to withdraw a licence to practise from a medical practitioner; or
- (c) to refuse to restore a licence to practise to a medical practitioner,

in any case where the medical practitioner does not provide the licensing authority with such evidence or information as the authority may reasonably request for any of the purposes specified in subsection (2) below.

(2) The purposes are those of—

- (a) determining whether to grant a licence to practise to the practitioner;
- [(b) revalidation of the practitioner;]²

[(2A) Regulations under section 29A above may include provision for or in connection with requiring a medical practitioner to supply information to a licensing authority (including information about his prospective, current or past employment as a medical practitioner) which, in the opinion of the licensing authority, will assist it in determining when and how to revalidate him.]³

[(3) For the purpose of carrying out any function under sections 29A to 29D above in relation to a medical practitioner, a licensing authority may require—

- (a) any medical practitioner (other than that practitioner); or
- (b) any other person,

who, in the opinion of the authority, is able to supply information, or produce any document, which appears relevant to the discharge of any such function, to supply such information or produce such a document.

(4) For the purpose of reviewing procedures relating to—

- [(a) revalidation; or]²
- (b) the grant, withdrawal or restoration of a licence to practise,

a licensing authority may require any medical practitioner or other person to supply information or produce any document.

(5) Nothing in subsection (3) or (4) above shall require or permit any disclosure of information which is prohibited by or under any other enactment [or the [UK GDPR]⁶]⁵ .

(6) But where information is held in a form in which the prohibition operates because the information is capable of identifying an individual, a licensing authority may, in exercising its functions under subsection (3) or (4) above, require that the information be put into a form which is not capable of identifying that individual.

[(7) In determining for the purposes of subsection (5) whether a disclosure is prohibited, it is to be assumed for the purposes of paragraph 5(2) of Schedule 2 to the Data Protection Act 2018 and

paragraph 3(2) of Schedule 11 to that Act (exemptions from certain provisions of the data protection legislation: disclosures required by law) that the disclosure is required by this section.]⁷

(8) Subsections (3) and (4) do not apply in relation to the supplying of information or the production of a document which a person could not be compelled to supply or produce in civil proceedings before the relevant court (within the meaning of section 40(5) below).

[40B.— Appeal under section 40A: role of Professional Standards Authority for Health and Social Care

- (1) If the General Council bring an appeal under section 40A—
- (a) the Registrar must without delay give notice of the appeal to the Professional Standards Authority for Health and Social Care (“the Authority”); and
 - (b) the Authority may not refer the case to which the appeal relates under section 29 of the National Health Service Reform and Health Care Professions Act 2002 (“the 2002 Act”).
- (2) The Authority may, in spite of subsection (1)(b), become a party to the appeal by giving notice to that effect to the relevant court, the General Council and the person to whom the relevant decision relates; and—

- (a) the Authority does not require the permission of the relevant court to become a party to the appeal; and
- (b) accordingly, any provision of rules of court requiring an application for such permission does not apply to the Authority.
- (3) Having become a party to an appeal under section 40A by virtue of subsection (2) of this section, the Authority may make representations or file evidence in the appeal at any time before the end of the hearing of the appeal; but where it does so at a time which would, but for this subsection, have been in breach of a time limit imposed by rules of court, the relevant court may impose such conditions as it thinks fit.
- (4) The matters which the Authority may raise on an appeal under section 40A include any matter which it could have raised on a reference of the case under section 29 of the 2002 Act.
- (5) Where the Authority raises matters on an appeal under section 40A, the General Council and the person to whom the relevant decision relates have the same opportunity to respond as they would have if the Authority had raised the matters on a reference of the case under section 29 of the 2002 Act (and the General Council and person concerned had accordingly been respondents by virtue of subsection (7) of that section).
- (6) If the General Council wish to withdraw an appeal under section 40A or, having agreed the terms of a settlement of the appeal with the person concerned, wish the appeal to be disposed of on those terms, they must give notice of their wish to the Authority (whether or not the Authority is a party to the appeal).
- (7) The Authority, having received a notice under subsection (6), must by notice inform the relevant court, the General Council and the person concerned whether it wishes the proceedings on the appeal to continue.
- (8) Where the Authority gives notice under subsection (7) that it wishes the proceedings to continue, they are to continue but are, from the time when the Authority gives its notice to the relevant court under subsection (7), to be treated as proceedings on a reference made by the Authority to the court under section 29 of the 2002 Act.
- (9) In a case within subsection (8), the Authority must give notice to the relevant court, the General Council and the person concerned specifying the grounds of its case; and the General Council and the person concerned (as respondents to the appeal by virtue of section 29(7) of the 2002 Act) have the opportunity to respond accordingly.
- (10) A requirement in this section to give a notice to a specified person is in addition to such requirements as are imposed by rules of court in relation to the persons to whom notice is to be given; and the giving of notice under this section is subject to such other requirements relating to the giving of notices as are imposed by rules of court.

[41A.— Interim Orders

[(A1) Where a matter is referred under section 35C(8) to the MPTS, the MPTS must arrange for an Interim Orders Tribunal or a Medical Practitioners Tribunal to decide whether to make an order as mentioned in that provision.]²

[(1) [Where an Interim Orders Tribunal or a Medical Practitioners Tribunal in arrangements made under subsection (A1), or a Medical Practitioners Tribunal on their consideration of a matter,]⁴ are satisfied that it is necessary for the protection of members of the public or is otherwise in the public interest, or is in the interests of a fully registered person, for the registration of that person to be suspended or to be made subject to conditions, [the Tribunal]⁵ may make an order—

(a) that his registration in the register shall be suspended (that is to say, shall not have effect) during such period not exceeding eighteen months as may be specified in the order (an “interim suspension order”); or

(b) that his registration shall be conditional on his compliance, during such period not exceeding eighteen months as may be specified in the order, with such requirements so specified as [the Tribunal]⁵ think fit to impose (an “order for interim conditional registration”).

] ³

(2) [Subject to subsection (9) below, where [an Interim Orders Tribunal or a Medical Practitioners Tribunal]⁶ have made an order under subsection (1) above, [an Interim Orders Tribunal or a Medical Practitioners Tribunal]⁶ —]³

[(a) shall review it within the period of six months beginning on the date on which the order was made, and shall thereafter, for so long as the order continues in force, further review it—

- (i) before the end of the period of six months beginning on the date of the decision of the immediately preceding review; or
- (ii) if after the end of the period of three months beginning on the date of the decision of the immediately preceding review the person concerned requests an earlier review, as soon as practicable after that request; and

] ⁷

[(b) may review it where new evidence relevant to the order has become available after the making of the order.] ³

[(3) Where an interim suspension order or an order for interim conditional registration has been made in relation to any person under any provision of this section (including this subsection), [an Interim Orders Tribunal or a Medical Practitioners Tribunal] ⁶ may, subject to subsection (4) below—

- (a) revoke the order or revoke any condition imposed by the order;
- (b) vary any condition imposed by the order;
- (c) if satisfied that to do so is necessary for the protection of members of the public or is otherwise in the public interest, or is in the interests of the person concerned, replace an order for interim conditional registration with an interim suspension order having effect for the remainder of the term of the former; or
- (d) if satisfied that to do so is necessary for the protection of members of the public, or is otherwise in the public interest, or is in the interests of the person concerned, replace an interim suspension order with an order for interim conditional registration having effect for the remainder of the term of the former.

[(3A) Where an Interim Orders Tribunal or a Medical Practitioners Tribunal have yet to hold a hearing to consider a case in which they would have the power to make an order under subsection (3) above, but the person concerned and the General Council have already agreed in writing to the terms of such an order—

- (a) the Tribunal, on considering the matter on the papers, or the chair of the Tribunal, on doing so instead of the Tribunal, may make an order on the agreed terms; or
- (b) if the Tribunal or chair (as the case may be) acting under paragraph (a) determines that the Tribunal should hold a hearing to consider the matter, the MPTS must arrange for a hearing of the Tribunal for that purpose.

(3B) An order made under subsection (3A)(a) by a Tribunal or the chair of a Tribunal is to be treated for the purposes of this Act as if it had been made by the Tribunal under subsection (3).] ⁸

(4) No order under subsection (1) or (3)(b) to (d) above shall be made by [a Tribunal] ⁹ in respect of any person unless he has been afforded an opportunity of appearing before [the Tribunal] ¹⁰ and being heard on the question of whether such an order should be made in his case [...] ¹¹ .

(5) If an order is made under any provision of this section, [the MPTS] ¹² shall without delay serve a notification of the order on the person to whose registration it relates.

(6) The General Council may apply to the relevant court for an order made by [an Interim Orders Tribunal or a Medical Practitioners Tribunal] ⁶ under subsection (1) or (3) above to be extended, and may apply again for further extensions.

(7) On such an application the relevant court may extend (or further extend) for up to 12 months the period for which the order has effect.

(8) Any reference in this section to an interim suspension order, or to an order for interim conditional registration, includes a reference to such an order as so extended.

(9) For the purposes of subsection (2) above the first review after the relevant court's extension of an order made by [an Interim Orders Tribunal or a Medical Practitioners Tribunal]⁶ or after a replacement order made by [an Interim Orders Tribunal or a Medical Practitioners Tribunal]⁶ under subsection (3)(c) or (d) above shall take place—

(a) if the order (or the order which has been replaced) had not been reviewed at all under subsection (2), within the period of six months beginning on the date on which the relevant court ordered the extension or on which a replacement order under subsection (3)(c) or (d) was made; and

(b) if it had been reviewed under the provision, within the period of three months beginning on that date.

(10) Where an order has effect under any provision of this section, the relevant court may—

(a) in the case of an interim suspension order, terminate the suspension;

(b) in the case of an order for interim conditional registration, revoke or vary any condition imposed by the order;

(c) in either case, substitute for the period specified in the order (or in the order extending it) some other period which could have been specified in the order when it was made (or in the order extending it),

and the decision of the relevant court under any application under this subsection shall be final.

(11) Except as provided in subsection (12) below, while a person's registration in the register is suspended by virtue of an interim suspension order under this section he shall be treated as not being registered in the register notwithstanding that his name still appears in the register.

(12) Notwithstanding subsection (11) above, [sections 31A, 35C to 35E and 39]¹³ above shall continue to apply to a person whose registration in the register is suspended.

(13) This section applies to a provisionally registered person [...] ¹⁴ whether or not the circumstances are such that he falls within the meaning in this Act of the expression “fully registered person”.

(14) In this section “the relevant court” has the same meaning as in section 40(5) above.]³
