Payment of your annual retention fee by Direct Debit (UK banks only)

If you are paying an annual retention fee and have a UK bank account you have the option to pay your fees by Direct Debit.

We recommend Direct Debit as a method of paying your annual fee because of the benefits to you and us:

Spread the cost - Paying by Direct Debit allows you to spread your fee over the year in quarterly or ten monthly instalments. Or, if you prefer, you can pay in one full amount.

Peace of mind - Payments are made automatically so your annual fee is never forgotten and your status on the medical register is not put at risk.

Save time - Direct Debit takes the hassle out of paying your annual fee. You don't have to queue at your bank or fill out a cheque each time.

Guaranteed - You are protected by the Direct Debit Guarantee and can cancel your Direct Debit at any time.

Please note the GMC will use the details you provide to collect payments which are owed to us. Where necessary, and as a last resort, we can use them to ask a court to grant a Third Party Debt Order.

How to pay by Direct Debit

To pay your annual retention fees by Direct Debit simply detach and complete the Instruction below and return to us. We will write to you to confirm the set up of your Direct Debit.

This Guarantee should be detached and retained by the Payer

The Direct Debit Guarantee

- This Guarantee is offered by all Banks and Building Societies that take part in the Direct Debit Scheme. The efficiency and security of the Scheme is monitored and protected by your own Bank or Building Society.
- If the amounts to be paid or the payment dates change, the General Medical Council will notify you ten working days in advance of your account being debited or as otherwise agreed.
- If an error is made by the General Medical Council or your Bank or Building Society, you are guaranteed a full and immediate refund from your branch of the amount paid.
- You can cancel a Direct Debit at any time by writing to your Bank or Building Society. Please also send a copy of your letter to us.
- If you receive a refund you are not entitled to, you must pay it back when the General Medical Council asks you to.
