

Notification that a doctor requires more time to complete F1

This notification is submitted pursuant to regulation 3(3) of the [General Medical Council \(Maximum Period of Provisional Registration\) Regulations Order of Council 2015](#). It is supplemented by the document, '[Guidance for doctors who need to request an additional period of provisional registration](#)' and we suggest that you review this guidance carefully before completing this form.

Section 1 - to be completed by the doctor:

Dr	<input type="text" value="Insert name"/>	GMC number	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
----	--	------------	----------------------	----------------------	----------------------	----------------------	----------------------	----------------------	----------------------

I confirm that I am currently participating in the F1 programme and am unable to complete it within the remaining period of provisional registration allowed. I request an additional period of provisional registration that will allow me to complete the programme, up to a maximum of 365 days.

Notes

- 1 We will use the doctors email address to verify the request. It needs to match the email address held on the GMC records.
- 2 A list of the authorised persons responsible can be found on this [approved list of signatories](#).
- 3 This notification cannot be given more than 180 days before the end of the doctor's current remaining period of provisional registration allowed.
- 4 You can insert an electronic signature. If you're unable to do this please print, sign and scan the form to return.
- 5 The doctor should complete section 1 and send it to the person responsible for their F1 programme as listed on this webpage. Once section 2 is complete, this should be sent to the GMC at regsupport@gmc-uk.org
