

UD2 - Application Checklist

Important information

The purpose of this checklist is to help you to find out if you may be eligible to apply for entry onto the GP Register and to enable us to assess your eligibility for an application form.

You should use this checklist if you wish to apply for entry onto the GP Register and:

- You currently hold both registration and a licence to practise with us.

AND

- You completed your GP training in the UK before 31 March 2006 and you have a certificate from an accepted organisations

OR

- You completed your training before 30 September 2005 and do not hold a certificate issued by JCPTGP and may be eligible for entry onto the GP Register by acquired rights.

Please note: All doctors who want to practise medicine in the UK must hold both registration and a licence to practise. If you do not hold a licence to practise and require one you will need to apply separately – please see our website for further guidance.

This is not an application form.

Instructions

- Read the 11 options below to find the option that applies to you.
- To be eligible to apply, you must be able to provide **all** the required evidence for that option.
- Only tick **one** option that applies to you, if you can provide the required evidence.
- If none of the options apply to you **or** you are not able to provide the required evidence for your option, you will not be eligible to apply using this route.
- If you meet one of the options; return this checklist to us and we will send you an application form within five working days for you to submit with your evidence.

Do **not** provide any evidence with this checklist.

Your personal details

Please write clearly in black ink and use capital letters.

GMC reference number	<input type="text"/>
Family name or surname	<input type="text"/>
First name	<input type="text"/>
Other names	<input type="text"/>

* This should be the email address you want us to hold on file and use for all correspondence. If you are eligible to apply for entry onto the GP Register using one of the routes detailed on the following pages we will use the email address given above to send you an application form.

Entry criteria

There are a number of ways a doctor may be able to demonstrate their eligibility for entry onto the GP Register but we can only assess your eligibility under **one** of the routes. Please tick one of the options below if it applies to you **and** you have evidence of this. By selecting one of the options you are confirming you can provide all the required evidence.

For each route you will find information on the evidence we will need to see next to this symbol:
