

Briefing note 3 – Annex B

Generic and demographic final questionnaire for foundation programme doctors in training.

The following pages contain the programme specific questions for doctors in training completing their foundation programme included in the 2023 National Training Survey. Each row represents an individual question (or the text on the page).

The first column shows the question code.

Branching is shown in the final column.

These questions will be presented to Foundation trainees depending on their level (see the Audience column).

Question number	Question	Answers	Answer type	Branching	Audience
FOPRQ120	To what extent do you agree or disagree with the following statement? I was adequately prepared for my first foundation post.	Strongly agree Agree Neither agree nor disagree Disagree Strongly disagree Don't know	Select one answer only		F1

Question number	Question	Answers	Answer type	Branching	Audience
FOPRQ142	If applicable, which of the following factors do you think contributed to you feeling less prepared? (Tick all that apply)	Not applicable – I felt adequately prepared Geographical re-location Lack of information about support for re-location (e.g. removal expenses) Living away from family / limited support networks in my training location Working in a different type of hospital or health system, compared to previous experience (e.g., working in Scotland after training in England, moving from a district general hospital to an acute trust etc) Lack of contacts (friends/family etc) already working in the NHS to talk to Late notice of my training location Late notice of my rota Limited knowledge of the day-to-day reality of working as a foundation doctor Lack of information on escalating concerns/speaking up, contact points etc. Inadequate training in how to use the IT hardware / software in my hospital Lack of knowledge and guidance on the paperwork and documentation required for a foundation post Medical school curriculum didn't sufficiently cover the required clinical knowledge Other	Select as many as apply		F1
FOPRQ121	To what extent do you agree or disagree with the following statement? My skills in clinical practical procedures were adequate to prepare me for my first foundation post.	Strongly agree Agree Neither agree nor disagree Disagree Strongly disagree Don't know	Select one answer only		F1
FOPRQ122	To what extent do you agree or disagree with the following statement? My skills in the early management of acutely ill patients were adequate to prepare me for my first foundation post.	Strongly agree Agree Neither agree nor disagree Disagree Strongly disagree Don't know	Select one answer only		F1
FOPRQ123	To what extent do you agree or disagree with the following statement? My skills in prescribing were adequate to prepare me for my first foundation post.	Strongly agree Agree Neither agree nor disagree Disagree Strongly disagree Don't know	Select one answer only		F1
FOPRQ133	To what extent do you agree or disagree with the following statement? The Placement Supervision Group (PSG) is an effective feedback tool for my professional development.	Strongly agree Agree Neither agree nor disagree Disagree Strongly disagree Don't know	Select one answer only		F1

Question number	Question	Answers	Answer type	Branching	Audience
FOPRQ134	To what extent do you agree or disagree with the following statement? The summary narrative is helping me plan the evidence I need to achieve the curriculum outcomes.	Strongly agree Agree Neither agree nor disagree Disagree Strongly disagree Don't know	Select one answer only		F1
FOPRQ135	To what extent do you agree or disagree with the following statement? I have been able to gain sufficient experience of mental health conditions in my posts to enable me to complete the relevant Supervised Learning Events (SLEs).	Strongly agree Agree Neither agree nor disagree Disagree Strongly disagree Don't know	Select one answer only		F1
FOPRQ125	To what extent do you agree or disagree with the following statements? I gained enough clinical experience during F1 to prepare me for the transition to F2.	Strongly agree Agree Neither agree nor disagree Disagree Strongly disagree	Select one answer only		F2
FOPRQ136	To what extent do you agree or disagree with the following statement? My e-portfolio is a useful record that will enable me to access future career opportunities.	Strongly agree Agree Neither agree nor disagree Disagree Strongly disagree Don't know	Select one answer only		F2
FOPRQ137	To what extent do you agree or disagree with the following statement? Doctors from certain backgrounds are disadvantaged in achieving the Foundation curriculum (2021) requirements (e.g. those with protected characteristics, international medical graduates and those working less than full time).	Strongly agree Agree Neither agree nor disagree Disagree Strongly disagree Don't know	Select one answer only		F2
FOPRQ138	To what extent do you agree or disagree with the following statement? My supervisor understands my needs as a Foundation doctor.	Strongly agree Agree Neither agree nor disagree Disagree Strongly disagree Don't know	Select one answer only		F2
FOPRQ139	Do you have time in your working week to keep your e-portfolio up to date?	Yes Once or twice per month I have to catch up in my own time No I have to do most of it in my own time	Select one answer only		F2

Question number	Question	Answers	Answer type	Branching	Audience
FOPRQ128	<p>Please select which of the following curriculum competencies/activities you had not fully met or undertaken at the start of this training year.</p> <p>(Tick all that apply)</p>	<p>N/A - I had reached all my required curriculum outcomes and/or experiences Clinical outcomes/competencies Experience in clinical settings Operative or procedural outcomes/competencies Experience in operative/practical procedures Passing of relevant exams Workplace-based assessments Completion of courses relevant for my specialty Research Audit Teaching Quality improvement Management and leadership skills Other non-clinical skills Not applicable</p>	Select as many as apply		F1 F2
FOPRQ131	<p>We'd like to know how any changes in working arrangements to manage the ongoing impact of the Covid-19 pandemic may have affected your current training year.</p> <p>Please select the one description that best fits your experience from the following:</p>	<p>I've developed clinical skills I would not have otherwise gained I've developed professional/wider skills I would not have otherwise gained There's been no change - my training continued as normal I've worked in a service provision role that has slowed down my training I've worked in a service provision role that has had no benefit at all for my training Other</p>	Select one answer only		F1 F2
