

 We're planning to make some updates to our systems. From Wednesday 30 September until Tuesday 6 October, GMC Online will be unavailable. This means you won't be able to make, amend or cancel PLAB bookings, view PLAB results, submit registration or revalidation updates, or make payments. [Find out more about the processes that will be unavailable.](#)

Sorry, we can't find the page you're looking for

The page may have been moved, updated or deleted. Please try one of the links at the top of the page or use the search below to find what you are looking for.

You can search our website using the search box below.

The General Medical Council

We work with doctors, physician associates, anaesthesia associates, those they care for and other stakeholders to support good, safe patient care across the UK.
