

General Medical Council

Hifza AHMAD

Doctor

GMC reference number: 7825413

Registered without a licence to practise

This doctor was granted registration without an in-person GMC identity check. This is because they registered when we were unable to run identity checks during the pandemic. However, we did check electronic versions of their qualifications evidence. Employers must also check a doctor's identity before they start work. We've now invited this doctor to complete their GMC check. We'll remove this message once they have.
