General information

Provisional registration with a licence to practise only allows this doctor to participate in a programme for provisionally registered doctors. This means that they can only practise in approved Foundation Year 1 posts. The law does not allow this doctor to undertake any other type of post including all service posts at F1 level.

This doctor may only undertake locum appointments for training (LAT) posts where the Foundation School has been involved in the recruitment of the doctor to that post, the post is part of a programme and leads to the award of a Certificate of Experience.
