General Medical Council

Authorised Decision Maker – decision to grant voluntary removal

Fariha Khatun - A8132454

Date of decision – 26/10/2026

Decision

1. On 25/10/2026, Fariha Khatun applied for their entry to be removed from the register of physician associates and anaesthesia associates (the register).

2. Article 9(2)(c)(i) of The Anaesthesia Associates and Physician Associates Order 2024 (AAPAO) allows us to remove an entry from the register when asked to do so by the associate.

3. I am satisfied that there are no concerns about their fitness to practise or any other reasons that would prevent me from granting their application for removal of their entry.

4. I have therefore decided to grant the application and remove Fariha Khatun's entry from the register, under rule 11(2) of the General Medical Council (Registration) (Anaesthesia Associates and Physician Associates) Rules 2024.

5. Removal of the entry will take effect on the day when notification of this decision is served, in accordance with rule 27(5).

(a) grant the application and remove the entry from the register in accordance with powers under article 9(2)(c)(i) of the Order; or

(b) refuse the application.
