Review of Committee membership

Issue

3 Annex B1 of the Governance Handbook states that ‘membership, including chairpersonship, of all the Committees is reviewed twice in each four year term of office, at the beginning and at the mid-way point’.

4 As part of this review, Council members have given their individual preferences for chair and membership of the Committees and Board of Pension Trustees they are currently members of, have indicated whether they have an interest in joining the new Investment Sub-Committee, which is expected to start its work in the first half of 2015. The Chair of Council has considered this information and in discussion with members and having consulted the Chair designate, has made proposals for Council’s approval, at Annex A. Any induction and training required will be discussed with individuals as required.

5 Overall, Council members expressed a preference for minimal change, and so the proposed Committee membership is largely unchanged, except for Jim McKillop moving from the Remuneration Committee and becoming Chair of the Audit and Risk Committee, replacing Hamish Wilson who demits office as a Council member at the end of 2014; and Shree Datta moving from the Audit and Risk Committee to become a member of the Remuneration Committee.

6 The new Council member who will be appointed from 1 January 2015 will be asked to express a preference as to which governance committee they would like to serve on once their appointment is confirmed in late December 2014.

7 Council is responsible for the appointment of employer nominated pension trustees, not all of whom need to be Council members. The current Chair Archy Kirkwood, who is elected by the members of the Board of Pension Trustees into that position, is a former Council member. In February 2013, Council agreed that the Chair should continue in this role until the end of 2014 to provide continuity. It is proposed that this arrangement should continue for a further two years to end 2016, and that Hamish Wilson should also be invited to continue as a member of the Board of Pension Trustees for a further three years, after he demits office as a Council member at the end of 2014. This would provide continuity of experience which is considered important to the work of the Board.

8 The Investment Sub-Committee was initially proposed to consist of two Council members, including the Chair, and two co-opted external members to be appointed early in 2015. It is proposed that the number of Council members is increased from two to three to accommodate members’ preferences. It is proposed that Suzi Leather would become Chair of this Sub-Committee. Council has previously requested that consideration be given to increasing the number of co-opted external members from
one to two or three. It is proposed that this issue should be re-visited in discussion with members of the Sub-Committee in early 2015.
