10. After Part III (registration of persons qualifying overseas) insert—
PART IIIA

LIENCE TO PRACTISE AND REVALIDATION

Duty of General Council to make regulations

Regulations as to licence to practise and revalidation

29A.—(1) Any reference in this Act to a “licence to practise” is a reference to a licence granted under and in accordance with this Part to a medical practitioner by a licensing authority.

(2) The General Council shall make regulations with respect to licences to practise.

(3) The provisions made by regulations under subsection (2) above must include provision for or in connection with each of the matters specified in subsection (4) below.

(4) Those matters are—

(a) grant of a licence to practise;
(b) refusal of a licence to practise;
(c) withdrawal of a licence to practise; and
(d) revalidation of a medical practitioner of a prescribed description as a condition of his continuing to hold a licence to practise.

(5) In this Part—

“licensing authority” means—

(a) the Registrar;
(b) a Registration Decisions Panel;
(c) such other committee of the General Council as may be prescribed; or
(d) such other officer of the General Council as may be prescribed;

“prescribed” means prescribed by regulations made by the General Council under subsection (2) above; and

“revalidation” means evaluation of a medical practitioner’s fitness to practise.

Grant, refusal and withdrawal of licence

29B.—(1) Regulations under section 29A above shall provide for a licence to practise to be granted to a medical practitioner—

(a) on first registration under this Act as a medical practitioner with either full registration or limited registration;
(b) on being provisionally registered under this Act; and
(c) in such other cases or circumstances as may be prescribed.

(2) Regulations under section 29A above shall provide for the withdrawal of a licence to practise from a medical practitioner—

(a) where the practitioner has failed to comply with prescribed requirements of regulations under section 29A above;
(b) where the licence to practise was fraudulently procured or otherwise incorrectly granted;
(c) where the medical practitioner requests that the licence to practise be withdrawn; and
(d) in such other cases or circumstances as may be prescribed.

(3) Regulations under section 29A above shall make provision as to the procedure to be followed in connection with the grant or refusal, or the withdrawal, of a licence to practise by a licensing authority.

(4) If a licensing authority decides—

(a) to refuse to grant a licence to practise to a medical practitioner; or
(b) to withdraw a licence to practise from a medical practitioner,

the Registrar shall give the practitioner notice in accordance with subsection (5) below.

(5) The notice required by subsection (4) above is notice of—

(a) the decision;
(b) the reasons given for the decision by the licensing authority concerned; and
(c) the practitioner’s right of appeal under section 29F below.

(6) Section 29H below applies in relation to a notice under subsection (4) above.

Referral to the Investigation Committee

29C.—(1) Regulations under section 29A above shall provide that where, in the course of revalidation, it appears to a licensing authority that the fitness to practise of the medical practitioner concerned may be impaired, the authority may refer the matter to the Investigation Committee.

(2) If a matter is referred to the Investigation Committee in accordance with subsection (1) above, the licensing authority shall take no further action until the matter has been considered—
   (a) by the Investigation Committee; or
   (b) if it is referred by that Committee to a Fitness to Practise Panel, by such a Panel, and has been referred back to the authority.

Restoration of licence

29D.—(1) The General Council shall make regulations under section 29A above for and in connection with authorising or requiring a licensing authority, in such cases or circumstances as may be prescribed, to restore a licence to practise to a medical practitioner whose licence to practise has been withdrawn.

(2) Regulations by virtue of subsection (1) above shall make provision as to the procedure to be followed in connection with the restoration, or the refusal of the restoration, of a licence to practise by a licensing authority.

(3) If a licensing authority refuses to restore a licence to practise to a medical practitioner, the Registrar shall give the practitioner notice of—
   (a) the decision;
   (b) the reasons given for the decision by the licensing authority concerned; and
   (c) the practitioner’s right of appeal under section 29F below.

(4) Section 29H below applies in relation to a notice under subsection (3) above.

Supplementary provisions

Evidence

29E.—(1) Regulations under section 29A above may make provision for a licensing authority—
   (a) to refuse to grant a licence to practise to a medical practitioner;
   (b) to withdraw a licence to practise from a medical practitioner; or
   (c) to refuse to restore a licence to practise to a medical practitioner,
in any case where the medical practitioner does not provide the licensing authority with such evidence or information as the authority may reasonably request for any of the purposes specified in subsection (2) below.

(2) The purposes are those of—
   (a) determining whether to grant a licence to practise to the practitioner;
   (b) revalidation of the practitioner;
   (c) determining whether to withdraw a licence to practise from the practitioner; and
   (d) determining whether to restore a licence to practise to the practitioner.

(3) For the purpose of carrying out any function under sections 29A to 29D above in relation to a medical practitioner, a licensing authority may require—
   (a) any medical practitioner (other than that practitioner); or
   (b) any other person,
who, in the opinion of the authority, is able to supply information, or produce any document, which appears relevant to the discharge of any such function, to supply such information or produce such a document.
(4) For the purpose of reviewing procedures relating to—

(a) revalidation; or

(b) the grant, withdrawal or restoration of a licence to practise,
a licensing authority may require any medical practitioner or other person to supply
information or produce any document.

(5) Nothing in subsection (3) or (4) above shall require or permit any disclosure of
information which is prohibited by or under any other enactment.

(6) But where information is held in a form in which the prohibition operates because
the information is capable of identifying an individual, a licensing authority may, in
exercising its functions under subsection (3) or (4) above, require that the information be
put into a form which is not capable of identifying that individual.

(7) In determining for the purposes of subsection (5) above whether a disclosure is not
prohibited, by reason of being a disclosure of personal data which is exempt from the non-
disclosure provisions of the Data Protection Act 1998 by virtue of section 35(1) of that
Act, it shall be assumed that the disclosure is required by or under this section.

(8) Subsections (3) and (4) do not apply in relation to the supplying of information or
the production of a document which a person could not be compelled to supply or produce
in civil proceedings before the relevant court (within the meaning of section 40(5) below).

(9) In this section “enactment” includes—

(a) an enactment comprised in, or in an instrument made under, an Act of the
Scottish Parliament; and

(b) any provision of, or any instrument made under, Northern Ireland legislation.

(a) to refuse to grant a licence to practise to a medical practitioner;

(b) to withdraw a licence to practise from a medical practitioner; or

(c) to refuse to restore a licence to practise to a medical practitioner,
the practitioner may appeal to a Registration Appeals Panel.

(2) Schedule 3B (which provides for the procedures to be followed before a Registration
Appeals Panel) shall apply in relation to any appeal under subsection (1) above.

(3) A decision under this Part to withdraw a licence to practise from a medical
practitioner shall not be carried into effect—

(a) until the time for bringing any appeal against the decision has expired without
an appeal being brought; or

(b) where an appeal is brought, until the date on which the appeal is finally disposed
of or abandoned or fails by reason of its non-prosecution.

Guidance

29G.—(1) The General Council may publish guidance for medical practitioners
relating to the information and documents to be provided, and any other requirements to
be satisfied—

(a) for the purposes of revalidation; or

(b) for securing restoration of a licence to practise.

(2) In preparing any such guidance in relation to revalidation, the General Council
shall take into account such similarities as there may be between any information or
documents to be provided, or any other requirements to be satisfied—

(a) for the purposes of revalidation; and

(b) for the purposes of any scheme for the appraisal of medical practitioners which
applies within the health service, the Scottish health service or the Northern
Ireland health service.
In subsection (2) above—
“the health service” means the health service established in pursuance of the National Health Service Act 1946;
“the Northern Ireland health service” means any service provided in pursuance of Article 4(a) of the Health and Personal Social Services (Northern Ireland) Order 1972; and

(2) Any such notice may be so given—
(a) by delivering it to him;
(b) by leaving it at his proper address;
(c) by sending it by a registered post service; or
(d) by sending it by a postal service which provides for the delivery of the notice by post to be recorded.

(3) For the purposes of this section and of section 7 of the Interpretation Act 1978 in its application to this section, a medical practitioner’s proper address shall be—
(a) his address in the register; or
(b) if the conditions in subsection (4) below are satisfied, his last known address.

(4) The conditions are that—
(a) the practitioner’s last known address differs from his address in the register; and
(b) it appears to the body or person giving the notice that a letter sent to the practitioner at his last known address is more likely to reach him.

(5) For the purposes of this section—
(a) the giving of a notice effected by sending it by post shall be deemed to have been effected at the time when the letter containing it would be delivered in the ordinary course of post; and
(b) so much of section 7 of the Interpretation Act 1978 as relates to the time when service is deemed to have been effected shall not apply to a notice sent by post.

Miscellaneous

29J.—(1) Regulations under section 29A above may provide for the charging of a fee to a medical practitioner in respect of the cost of—
(a) his revalidation; or
(b) the consideration of any application made by him for restoration of a licence to practise.

(2) Any sum payable by a medical practitioner under subsection (1) above may be recovered by the General Council and, in England and Wales or Northern Ireland, shall be recoverable summarily as a civil debt.

(3) Regulations under section 29A above may make different provision for different purposes, cases or circumstances.

(4) Regulations under section 29A above shall not have effect until approved by order of the Privy Council.

(5) Before making regulations under section 29A above, the General Council shall consult such bodies of persons representing medical practitioners, or medical practitioners of any description, as appear to the Council requisite to be consulted.”.

11. After Schedule 3A insert—
Manner of, and time for, appealing

1. (1) A medical practitioner who wishes to appeal to a Registration Appeals Panel under section 29F of this Act against a decision of a licensing authority must give written notice of appeal to the Registrar.

(2) Any such notice of appeal must be given within the period of 28 days beginning with the day on which the practitioner is given notice of the decision of the licensing authority.

(3) Sub-paragraph (2) above is subject to paragraph 2 below.

Extension of time for appealing

2. Where—
   (a) any notice required by section 29B or 29D to be given to a medical practitioner by the Registrar is given by sending it to him by post; and
   (b) the Registrar is satisfied, on the application of the practitioner, that the practitioner did not receive the notice within the period of 14 days beginning with the day on which the licensing authority gave the decision to which the notice relates,

the Registrar may, if he thinks fit, by authorisation in writing extend the time for giving notice of appeal under paragraph 1 above.

Rules as to procedure and evidence

3. (1) The General Council shall make rules as to—
   (a) the procedure to be followed; and
   (b) the rules of evidence which are to apply,

in proceedings before a Registration Appeals Panel.

   (a) securing that notice of the time and place of any hearing is given, at such time and in such manner as may be specified in the rules, to the medical practitioner to whom the proceedings relate;
   (b) securing that any party to proceedings before a Registration Appeals Panel shall, if he so requires, be entitled to be heard by the Panel;
   (c) enabling any party to the proceedings to be represented by counsel or solicitor, or (if the rules so provide and the party so elects) by a person of such other description as may be specified in the rules; and
   (d) requiring proceedings to be held in public if the medical practitioner to whom the proceedings relate so requests, unless and to the extent that the rules provide otherwise.

(3) In sub-paragraph (2) above, “party”, in relation to any proceedings, means—
   (a) the medical practitioner to whom the proceedings relate; or
   (b) the Solicitor to the General Council.

(4) Paragraphs 2 and 7 of Schedule 4 to this Act shall apply in relation to proceedings before a Registration Appeals Panel as they apply in relation to proceedings before a Fitness to Practise Panel.

(5) Rules under this paragraph shall not come into force until approved by order of the Privy Council.

(6) The Privy Council may approve such rules—
   (a) as submitted to them; or
   (b) subject to such modifications as appear to them to be requisite.

(7) Where the Privy Council propose to approve rules under this paragraph subject to modifications, they shall—
   (a) notify the General Council of the modifications they propose to make; and
   (b) consider any observations which the General Council may make on the modifications.
Before making rules under this paragraph the General Council shall consult such bodies of persons representing medical practitioners, or medical practitioners of any description, as appear to the Council requisite to be consulted.

(b) if the appeal is against a decision to withdraw a licence to practise, that a licence to practise should, or (as the case may be) should not, be withdrawn from the practitioner; or
(c) if the appeal is against a decision to refuse to restore a licence to practise, that a licence to practise should, or (as the case may be) should not, be restored to the practitioner,

and a Panel may make such orders as to costs (or, in Scotland, expenses) as they think fit.

Successful appeals

6.—(1) This paragraph applies in any case where, on an appeal under section 29F of this Act by a medical practitioner against a decision of a licensing authority, a Registration Appeals Panel determines—

(b) that a licence to practise should not be withdrawn from the medical practitioner; or
(c) that a licence to practise should be restored to the medical practitioner.

(2) The Registration Appeals Panel shall give notice to the Registrar informing him of the determination and directing him accordingly—

(a) to grant the licence;
(b) not to withdraw the licence; or
(c) to restore the licence.

(3) The Registrar shall give notice of the determination to the medical practitioner.

(4) Section 29H of this Act applies in relation to any notice under sub-paragraph (2) above.

(3) The Registrar shall give the medical practitioner notice of—
   (a) the determination; and
   (b) his right under paragraph 8 below to appeal against the determination.

(4) Any direction under sub-paragraph (2)(b) above has effect subject to section 29F(3) of this Act (no implementation pending appeal).

(5) Section 29H of this Act applies in relation to any notice under sub-paragraph (2) above.

**Further appeal to court against determination within paragraph 7**

8.—(1) Where, on an appeal under section 29F of this Act by a medical practitioner, a Registration Appeals Panel makes a determination falling within sub-paragraph (1) of paragraph 7 above, the practitioner may appeal against the determination.

(5) In section 47 (appointments not to be held except by fully registered practitioners)—
(a) in subsection (1) for the words from the beginning to “medical officer” substitute—
“Subject to subsection (2) below, only a person who is fully registered and who holds a licence to practise may hold an appointment as physician, surgeon or other medical officer”; and
(b) in consequence of that amendment, the sidenote to the section becomes “Appointments not to be held except by fully registered medical practitioners who hold licences to practise”.

(6) In section 48 (certificates invalid if not signed by fully registered practitioner)—
(a) at the end add “and holds a licence to practise”; and

he shall be liable on summary conviction to a fine not exceeding level 5 on the standard scale.

(2) Any penalty to which a person is liable on summary conviction under subsection (1) above may be recovered in Scotland by any person before the sheriff or the district court who may, on the appearance or the default to appear of the accused, proceed to hear the complaint, and where the offence is proved or admitted the sheriff or court shall order the accused to pay the penalty as well as such expenses as the sheriff or court shall think fit.

(3) Any sum of money arising from conviction and recovery of penalties as mentioned in subsection (2) above shall be paid to the Treasurer of the General Council.”.

(a) standards of professional conduct;
(b) standards of professional performance; or
(c) medical ethics.

35A.—(1) For the purpose of assisting the General Council or any of their committees in carrying out functions in respect of a practitioner’s fitness to practise, a person authorised by the Council may require—
   (a) a practitioner (except the practitioner in respect of whom the information or document is sought); or
   (b) any other person,
who in his opinion is able to supply information or produce any document which appears relevant to the discharge of any such function, to supply such information or produce such a document.

(2) As soon as is reasonably practicable after the relevant date, the General Council shall require, from a practitioner whose fitness to practise is being investigated, details of any person—
   (a) by whom the practitioner is employed to provide services in, or in relation to, any area of medicine; or
   (b) with whom he has an arrangement to do so.

(3) For the purposes of this section and section 35B below the relevant date is the date specified by the General Council by rules under paragraph 1 of Schedule 4 of this Act.

(4) Nothing in this section shall require or permit any disclosure of information which is prohibited by or under any other enactment.

(5) But where information is held in a form in which the prohibition operates because the information is capable of identifying an individual, the person referred to in subsection (1) above may, in exercising his functions under that subsection, require that the information be put into a form which is not capable of identifying that individual.

(5A) In determining for the purposes of subsection (4) above whether a disclosure is not prohibited, by reason of being a disclosure of personal data which is exempt from the non-disclosure provisions of the Data Protection Act 1998 by virtue of section 35(1) of that Act, it shall be assumed that the disclosure is required by this section.

(6) Subsection (1) above does not apply in relation to the supplying of information or the production of a document which a person could not be compelled to supply or produce in civil proceedings before the relevant court (within the meaning of section 40(5) below).

(7) For the purposes of subsection (4), “enactment” includes—
   (a) an enactment comprised in, or in an instrument made under, an Act of the Scottish Parliament; and

(b) a person who is provisionally registered; or
(c) a person who is registered with limited registration,

(a) misconduct;
(b) deficient professional performance;
(c) a conviction or caution in the British Islands for a criminal offence, or a conviction elsewhere for an offence which, if committed in England and Wales, would constitute a criminal offence;
(d) adverse physical or mental health; or
(e) a determination by a body in the United Kingdom responsible under any enactment for the regulation of a health or social care profession to the effect that his fitness to practise as a member of that profession is impaired, or a determination by a regulatory body elsewhere to the same effect.
(3) This section is not prevented from applying because the allegation is based on a matter alleged to have occurred—
(a) outside the United Kingdom; or
(b) at a time when the person was not registered.
(4) The Investigation Committee shall investigate the allegation and decide whether it should be considered by a Fitness to Practise Panel.
(5) If the Investigation Committee decide that the allegation ought to be considered by a Fitness to Practise Panel—
(a) they shall give a direction to that effect to the Registrar;
(b) the Registrar shall refer the allegation to a Fitness to Practise Panel; and
(c) the Registrar shall serve a notification of the Committee’s decision on the person who is the subject of the allegation and the person making the allegation (if any).
(6) If the Investigation Committee decide that the allegation ought not to be considered by a Fitness to Practise Panel, they may give a warning to the person who is the subject of the allegation regarding his future conduct or performance.
(7) If the Investigation Committee decide that the allegation ought not to be considered by a Fitness to Practise Panel, but that no warning should be given under subsection (6) above—
(a) they shall give a direction to that effect to the Registrar; and
(b) the Registrar shall serve a notification of the Committee’s decision on the person who is the subject of the allegation and the person making the allegation (if any).

(b) the Registrar shall refer the matter to an Interim Orders Panel or a Fitness to Practise Panel for the Panel to decide whether to make such an order; and

persons to practise as a member of a health or social care profession.

Provisions supplementary to section 35C

35CC.—(1) Rules under paragraph 1 of Schedule 4 to this Act may make provision for—
(a) the Registrar; or
(b) any other officer of the General Council,
to exercise the functions of the Investigation Committee under section 35C above, whether
generally or in relation to such classes of case as may be specified in the rules.

(3) If a person has been registered by virtue of section 3(1)(b) above and it is subsequently shown to the satisfaction of the Registrar that he was subject to a disqualifying decision in force at the time of registration, and that the decision remains in force, the Registrar shall remove the person’s name from the register.

(4) A decision under—
(a) subsection (1) above not to register a person; or
(b) subsection (3) above to remove a person’s name from the register,

(5) If a person has been registered as a fully registered medical practitioner by virtue of section 3(1)(b) above at a time when a disqualifying decision was in force in respect of him, and he has been so registered for a period of not less than one month throughout which the decision had effect—

(a) has, in the British Islands, been convicted of, or cautioned for, a criminal offence or convicted elsewhere of an offence which, if committed in England and Wales, would constitute a criminal offence; or

(b) has been the subject of a determination by a body in the United Kingdom responsible under any enactment for the regulation of a health or social care profession to the effect that his fitness to practise as a member of that profession is impaired, or a determination by a regulatory body (within the meaning of section 35C(9) above) elsewhere to the same effect.

(2) If a person has been registered by virtue of any provision of this Act and it is subsequently shown to the satisfaction of the Registrar that—

(a) he is a person to whom paragraph (a) or (b) of subsection (1) above applies; and

(b) he had not informed the Registrar of that fact at the time of registration,

the Registrar may remove that person’s name from the register.

(4) If a person has been registered by virtue of any section other than section 3(1)(b) or 18 above at a time when a determination of a kind referred to in subsection (1)(b) above was in force in respect of him, and he has been so registered for a period of not less than one month throughout which the determination had effect—

(a) a Fitness to Practice Panel may direct that his registration be suspended for such period, not exceeding the length of the first mentioned period, as the Panel think fit, and the period of suspension shall begin on a date to be specified in the Panel’s direction; and

(b) is subject to a finding that his fitness to practise is impaired, the Panel may, if they think fit, impose on him a prohibition in respect of the rendering of medical services in the United Kingdom in the future.

(2) A prohibition imposed under this section shall either relate to a period specified by a Fitness to Practise Panel or be expressed to continue for an indefinite period.

(3) A person may apply to the General Council for termination of a prohibition imposed on him under this section and the Council may, on any such application, terminate the prohibition or reduce the period of it; but no application may be made under this subsection—
(a) earlier than five years from the date on which the prohibition was imposed; or
(b) in the period of twelve months following a decision made on an earlier application.

(4) Section 18(1) above does not apply to a person, and that person shall not be registered as a visiting EEA practitioner, at a time when he is subject to a prohibition imposed by a Fitness to Practise Panel under this section.

(5) Before determining whether to terminate a prohibition under subsection (3) above, the General Council shall require the person applying for its termination to provide such evidence as they direct as to one or more of his good character, professional competence and health; and they shall not terminate the prohibition if that evidence does not satisfy them.

(6) Where, during the same period of prohibition, a second or subsequent application for termination of the prohibition, made by or on behalf of a person on whom the prohibition has been imposed, is unsuccessful, the General Council may direct that his right to make any further such applications shall be suspended indefinitely.

(7) Where the General Council give a direction under subsection (6) above, the Registrar shall without delay serve on the person in respect of whom it has been made a notification of the direction and of his right to appeal against it in accordance with section 40 above.

(8) Any person in respect of whom a direction has been given under subsection (6) above may, after the expiration of three years from the date on which the direction was made, apply to the General Council for that direction to be reviewed by the General Council and, thereafter, may make further applications for review; but no such application may be made before the expiration of three years from the date of the most recent review decision.”.

Article 13 substitutes Part V of the Act (professional conduct and fitness to practise). It provides for the Investigation Committee to investigate allegations that a medical practitioner’s fitness to practise is impaired (new section 35C). A Fitness to Practise Panel will be able to make a direction for the erasure, suspension or conditional registration of a medial practitioner whose fitness to practise it finds is impaired (new section 35D). An Investigation Committee or a Fitness to Practise Panel will be able to give a warning to a practitioner regarding his future conduct or performance (new sections 35C(6) and 35D(3) respectively). New sections 35CC and 35E make provision supplementary to new sections 35C and 35D respectively. New section 41C sets out the effect of a direction for erasure or an order for suspension on the holding of a licence to practise. New section 44A provides for the effect on registration of a conviction or disqualification.

Article 14 substitutes Schedule 4 to the Act (proceedings before the Professional Conduct, Health and Preliminary Proceedings Committees) with new provisions relating to the Investigation Committee, Interim Orders Panels and Fitness to Practise Panels.

Article 15 makes miscellaneous amendments to the Act. In particular, it provides for the Council to—
— submit annual reports to the Privy Council (article 15(4));
— co-operate with public authorities and other bodies or persons (article 15(7)); and
— inform medical practitioners and the public about their work and the exercise of their functions (article 15(7)).

Article 16 and Schedules 1 and 2 make consequential, transitional, transitory and savings provisions relating to other provisions in the Order.
